The Youngest Housekeeper,
The Oldest Housekeeper.
Both need all the household aid
it's possible to give them.
And the greatest of these is

THE DOMESTIC
COMBINATION
VACUUM SWEEPER

By its aid the drudgery of
sweeping is entirely done away
with—it sweeps and vacuum
cleans at the same time.

It's easy to run and it certainly
does eat up the dust.

It's good to look at because it's
splendidly made and finished.

It has the widest vacuum nozzle
of any machine made.

It's ball bearing throughout.

Its Three Bellows make a con-
tinuous vacuum.

Its Sweeper attachment is thor-
oughly practical with large
litter pans. The Sweeper
runs only when you so desire.

The turning of a screw throws
the brush out into a most
convenient position for the
removal of threads and hairs
—nothing has been spared
to make it what it is—

Who Has Lived Here the Longest?
We would like to know who has lived
the longest in Madison county. Write
us a letter if you are an old resident,
and tell us some facts about your early days.
We will publish the letters from the
oldest residents. We wish to secure as
many interesting facts as possible. The
publication of one incident will remind
other old-timers of other incidents, so
let the letters come.

To the person showing the longest
continuous residence in the county,
absences of less than one year, or service
in the army or navy not counted against
the pioneer, we will send this paper free
for life. To the second oldest pioneer,
we will send the paper for two years
and to the next, one year.

Married.
Mr. Lee R. Stokely, of Clark, and
Miss Lillian Current, of this city, were
married in Winchester Thursday after-
noon by the Rev. George W. Boswell.

Wins High Honors.
Dr. Perry, one of our progressive
druggists has received a letter from Mr.
J. W. Gale, Secretary of Kentucky Board
of Pharmacy, which is highly laudatory
of his son Hart Perry, who recently took
the examination before the board. The
letter is as follows:

April 17, 1915.
My dear Mr. Perry:—
Your boy passed an excellent exami-
nation, making a general average of 85
per cent. Only one student made a
higher percentage.

I have just sent his awards in care of
the Louisville School of Pharmacy. I
congratulate you on having such a
boy. Very respectfully,
J. W. Gale.

This letter affords Dr. and Mrs. Perry
a great deal of pleasure and the many
friends of this popular couple are de-
lighted to learn that Hart has made such
an excellent showing.

State Keeping Pace in Edu-
cational Progress.

Prof. H. H. Brock left today to attend
the session of the Kentucky Educational
Association at Louisville, where he will
deliver an address on the subject "How
to Popularize Rural Life." After this
meeting he will leave for Chattanooga,
Tenn., where he will attend the South-
ern Educational Conference at that
place. He will act as chairman of the
committee on the rural schools of the
South.

Prof. Brock says that from his invest-
igation of the reports made to him,
that all of the states have made a gen-
eral advance along educational lines, and
he was impressed with the similarity of
reports coming from the West, the
Mississippi Valley and the East, all of
which showed about the same general
percentage of gain.

A New City.
Mr. J. A. Heim, representing some
Eastern capitalists, who are construct-
ing the Cumberland & Northern Rail-
road from Barboursville to Manchester,
was in this city last week in consulta-
tion with Mr. D. B. Shackelford, looking
to the purchase of a town site located
near Manchester in Clay county. The
deal was consummated and we expect
in the near future for the town to spring
up like some of the other magic cities
of Eastern Kentucky. It will be situated
just across the river from the present
town of Manchester.

This road has been long in con-
templation, and with immense Eastern cap-
ital behind it, it will be pushed to a
speedy completion. The road will tra-
verse a large boundary of land owned
by Mr. Shackelford and will greatly en-
hance it in value.

Clay county has given the right-of-
way and in addition to this the sum of
\$55,000 by private subscription. The
right-of-way has been donated with a
few exceptions through Knox county.

In addition to the main line between
Barboursville and Manchester, there will
be several spur lines constructed as feed-
ers to the main line.

We congratulate Mr. Shackelford on
his good luck.

DEATHS
Mr. Charles R. Tudor died at the
home of his nephew, Mr. E. C. Wines in
Jackson, Ky., Tuesday and was brought
to this city on the noon train Wednesday
for burial in the Richmond Cemetery,
accompanied by Mr. and Mrs. E. C.
Wines. Mr. Tudor had been in ill health
for some time and was a great sufferer,
yet he bore it nobly and patiently to the
end. He was 50 years of age and single.
Besides his nephew, he leaves one broth-
er in Illinois. Mr. Tudor was a native
of this county but spent several years in
Illinois, having returned here last fall
to live. He was a highly respected citi-
zen and a man of many friends through-
out the county who were grieved to learn
of his death.
